## Become A Local Philanthropist

Border Trust invites you to become a local philanthropist. Become part of a network of generous and engaged donors who are creating positive change across the Border region.

Anyone can be a philanthropist and philanthropists can come from all walks of life. What unites us is the desire to help others, to donate to organisations such as Border Trust who are creating a meaningful and lasting difference in our community.

# Create An Enduring Legacy Of Meaningful Change.

Border Trust provides donors with multiple giving options so you can choose how to donate for the benefit of your community. Whether you're an individual, business, private or corporate donor, we have ways you can give.

## Give500

Experience the gift of local giving by donating \$500 to the popular Give500 program. Donations are pooled to create a collective giving fund to support life-changing community programs. Each \$500 donation earns the donor one vote they can cast on Pitch Night to support the local project of their choice. As a Give500 Donor, you'll feel the immediate impact of your giving.

## Named Sub-funds

Create a lasting legacy through a named sub-fund that gives your family or organisation a direct and ongoing connection to your community. Border Trust manages all governance requirements and all donations are fully tax deductible providing you with a simple yet meaningful way to contribute to positive local change.

## Make a Bequest

You can choose to leave a gift to your community through a bequest to Border Trust in your Will. You can make a bequest to a specific sub-fund, start a named sub-fund or provide a general bequest to support the community building work of Border Trust in perpetuity. Talk with our team about how we can make donations through bequests simple.

## Impact Fund

Donate in direct support of one of four priority areas Border Trust is focusing on in recognition of current and future community needs. This collective giving fund ensures your gift makes a big difference.

These are:

- Community Connection & Equity
- Environment & Sustainability
- Disaster Readiness, Recovery & Resilience
- Community Leadership.

## Workplace Giving

Border Trust's Workplace Giving Program fosters camaraderie and shared purpose by providing an option for employees to make donations through their payroll system. Many employers amplify this generosity by matching employee contributions and making regular donations.

## FRRR Back to School Program

Your gift can make all the difference to a family in need. Since 2005, Border Trust, in partnership with the Foundation for Rural and Regional Renewal (FRRR), Hume Bank and local donors, have distributed over \$593,000 in \$50 vouchers to help local families with back-to-school expenses.

To create a positive legacy in your community, get in touch with Border Trust to discuss your giving options or visit [bordertrust.org.au](https://bordertrust.org.au) to learn more.

The gift of your donation will stay local; it will benefit locals and make a meaningful difference, now and in the future.
