About Give500

Give500 is an initiative of Border Trust. It is a starting point for like-minded individuals and groups to pool their donations and support life changing community programs across the Border Region.

Local community members, families, groups and businesses are invited to become a Give500 donor by donating \$500 to the annual campaign. One \$500 donation = One vote at the annual Pitch Night. It's a connected and collective way of giving and is about so much more than the money!

The Give500 Grant

The amount of the Give500 grant is determined by the number of donors who contribute each year. 60% of all funds raised are allocated to support important community initiatives with the remaining 40% held in the Give500 Named Sub Fund to build a sustainable foundation, support additional charitable granting and build a perpetual fund for community benefit.

Applications to the 2025 Give500 grant program will be shortlisted to three outstanding projects by the Give500 Committee, with the successful recipient to be voted by donors at the Pitch Night held on 13 November 2025.

The three shortlisted organisations will be offered pitch training, work with Border Trust to prepare a Pitch video and present in-person at the Pitch Night.

All previous applicants and recipients are welcome to apply for the Give500 2025 grant.

The Give500 2025 successful organisation will receive \$18,000 for their project with \$4,000 for each runner up as a contribution to their project or organisational capacity.

Areas of Impact

Applications for the Give500 2025 grant are invited from eligible community organisations wishing to address the following impact areas:

Community Connection + Wellbeing

A welcoming, connected and inclusive community provides the foundation for a vibrant region and positively impacts individual and community well-being.

Community Equity

By helping those who help others, access to necessities like food, shelter, education, work, and healthcare enables all to participate in and contribute to a thriving region.

Give500 Ambassadors

Give500 provides a unique opportunity for donors to have a first-hand introduction to community organisations who work tirelessly to improve the lives of locals. As the number of donors grows, so too does the grant allocation: this is why it is so important for our Give500 grant recipients to become program Ambassadors.

Giving it your all in your video presentation and at the Pitch Night will help donors to better understand and connect with the work you do.

Give500 is different to our other grant programs, so please read the guidelines before applying.
