

Local Giving Month

SEPTEMBER 2026

From here, for here.

Join us in building one of the Border region's
greatest community assets.

Imagine if...

Every café. Every retailer. Every tradie. Every professional service. Every manufacturer. Every local business across our region chose one simple way to strengthen the community they call home.

Maybe it's \$1 from every coffee. Or proceeds from a nominated product. A percentage of sales. A fundraising event. Or something completely unique to your business.

On their own, those contributions might seem small. Together, they combine to become something extraordinary.

This September, Border Trust is inviting local businesses to join Local Giving Month — a region-wide celebration of generosity that will help build the **Community Impact Fund**, creating lasting support for our community today, tomorrow and forever.

Because when local businesses and communities come together, our region becomes stronger.

From here, for here.

BORDER **TRUST**

**Every dollar
from here,
stays here.**

Because what's raised here, stays here.

Throughout September, participating businesses will make a simple pledge to donate the proceeds of a nominated activity.

The community will be encouraged to support those businesses by choosing to shop, dine and do business locally. Together, we'll celebrate the businesses that are backing our region and the customers who choose to back them.

It's local people supporting local businesses, creating lasting local impact.

Help build something bigger.

Lead by example

Show your customers and community that your business is proud to support local not-for-profits.

Join a region-wide movement

Be part of something bigger than any one business could achieve alone.

Engage your customers

Give people another reason to choose your business during September.

Build your local legacy

Help create a permanent source of funding that will support our community for generations to come.

Every business can take part.

Whether you're a sole-trader, family business or major employer, there's a pledge to suit your business.

Simple. Flexible. Authentically local. No two pledges need to be the same.

Will your business be one of our Founding Local Giving Month Partners?
